Menu & Beverage Selection

Our talented team of chef's can recreate any of your favorite cuisines, particular dishes or help you design a special menu to fit your style, budget and theme of your reception.

Through our wine and liquor merchants we can source any special beverage style or type, from the exotic to the rare, perfectly matching your menu and reception theme.

Music & Decor

From chamber music to hot Latin rhythms, our carefully selected list of gifted musical ensembles will create the perfect mood together with custom decorations from the romantic, to the exotic creating the perfect setting for your enchanting evening.

Party Favors

Our award winning pastry team can create those sinful last touches to complete your magical reception.

From bonbons to hand decorated fondant cookies there are no limits to our sweet imagination.

Flowers

You can take advantage of our in house flower design service specialized in Colombian roses, or we can coordinate your fantasies with the top floral design houses in town. We can even arrange a package deal to maximize your budget and minimize your efforts.
